

July was an amazing month for Sofia Rojas.

She's been training with us since she was 8 years old. Last week she won her first pro singles title and a WTA ranking 953 after only 5 tournaments.

During her journey with us, she has exhibited the following champion mindsets:

- 1-Focus and dedication to her craft
- 2-Coachability and willingness to learn and grow
- 3-Dedication to physical fitness
- 4-Loyalty to her coaching team and the plan for her game
- 5-Parents trusting the coaching team over a long period
- 6-Long-term focus on the goals
- 7-Mental toughness work each day on the court
- 8-Technical video analysis after periods of long competition
- 9-Match video analysis
- 10-Personalized tactical patterns of play

Kudos to Sofia and her family!
